

2013 SPRING WILD TURKEY HUNTING INFORMATION

Your Spring Wild Turkey Hunting Permit entitles you to participate in the privilege of wild turkey hunting. Please review this information to assure that you comply with all of the wild turkey hunting regulations. While hunting, please respect the rules of good sportsmanship and the property of others. Have a safe and successful hunt.

And Remember - SAFE HUNTING IS NO ACCIDENT.

ATTENTION HUNTERS: Harvest Reporting on-line at www.dnr.illinois.gov/vcheck, or call toll-free 1-866-IL-CHECK

Successful hunters must report their harvest by 3 p.m. on the day of harvest on-line at www.dnr.illinois.gov/vcheck, or by telephone (toll-free) at **1-866-452-4325 (1-866-IL-CHECK)**. We hope you are pleased with the ease and convenience of this system.

Please have a pen/pencil on hand (an extra-fine tipped permanent marker works best)- you will be given a 10-character confirmation number which you must write on the leg tag (this serves as proof you have checked in your harvest). When reporting harvest, hunters will be asked to provide a variety of information to assist biologists in managing Illinois' turkey population. Please look over the questions listed on the back of your permit prior to reporting your harvest.

TAGGING INSTRUCTIONS: You must cut out the designated notch on the leg tag to invalidate it immediately upon harvest. The adhesive leg tag must be attached to the leg of the turkey immediately after it is killed. It is unlawful to move, transport, or field dress a turkey without the tag attached and notched. The tag must remain attached to the leg of the turkey until it is at the legal residence of the person who legally took or possessed the turkey and it has been reported via internet or telephone.

PERMIT COMPLETION; Before hunting, you must sign your permit. You must carry the completed permit, along with your Hunting, Sportsman's or Apprentice License and Habitat Stamp (unless exempt), while hunting wild turkey.
